Offsetting Dues by Fundraising:

To make Corps de Ballet Company participation financially possible for all NPD students, Company students and families have the option to fundraise throughout the year. You may offset your Company dues by participating in any or all of the options below. Any funds raised through these methods will be taken off the following month(s) dues. Any other donations of money, goods or services outside of the options listed below will not count towards fundraising totals.

Fundraiser option for Corps de Ballet Company:

- \$10,000x200 will be figured at 50%. Example: If a check is received in your honor for \$100, you will be given credit for \$50.
- Giving Hearts Day will be figured at 50% according to the name in the dedication box. Example: If a donation is made in your name for \$100, you will be given credit for \$50. ***if your name is not prominent in the donation we will not count this as fundraising on your behalf.***
- Bacon for Ballet will be figured \$3.75 per bag. Example: If you sell 100 items, you will be given credit for \$375
- Nuts & Candy will be figured at \$3.75 per bag. Example: If you sell 100 bags of goodies, you will be given credit for \$375.

Alternative method for students:

If a student is over the age of 14, they may be asked to lead birthday parties, serve as a classroom assistant or help teach camps throughout the year. If a student is asked to participate in one of these activities, they will have the option to be paid outright or to have their earnings credited towards their company dues; this decision must be made when signing Company paperwork and cannot be changed throughout the year. Any credits earned in the current school year will be applied to the current year's dues. Any credits earned between the last day of Academy classes and the start of the following school year will be applied to the following year's dues.

Mentorship Requirements:

One purpose of the Student Company is to provide positive student leadership within NPD. To do so, Corps de Ballet Company members are asked to do the following:

- Assist in the classroom (e.g: adaptive dance) and rehearsals for *The Nutcracker* and/or *Cinderella* as needed. For example, if you are assigned to be the Cherubs' assistant you will attend all possible rehearsals for that role, keeping in mind that your own casting takes priority but consistency for the young ones is of the utmost importance. As a positive role model to these young dancers, you will be a shining example to parents of what NPD has to offer.
- Respect the space. Company members are expected to do their part in keeping the facility presentable without being asked. This includes taking out the trash when it is full, picking up food waste, etc. This will demonstrate to the younger students and parents that you take pride in NPD, and you are willing to help keep the building looking good.
- Treat the Director, teachers, choreographers, guests and fellow company members in a respectful manner, both in and outside the studio (please look at our policy on social media and bullying as listed in our handbook).

Volunteer Requirements:

- Parents of Corps de Ballet Company members are required to complete the designated Performance Volunteer Hours to receive credit towards their Volunteer Fees. NPD staff will assign parents to assist with forward-facing tasks, such as overseeing audition check in, studio dress, cast party, and tea party. Failure to fulfill these assigned duties will result in a \$75 charge to the card on file.
- Company members are required to:
 - Sew closures and nametags on their own costumes for each production and have it checked by a staff member within one week of fitting.
 - Participate in outreach efforts and additional performances throughout the year as they arise.
 - Assist with one Special Event as assigned. All activities must be completed at the designated time, substitution is not allowed. Assistance by students at the following events will not count towards volunteer hours required for other NPD activities (performance, scholarship):
 - Zoo Boo (a Saturday in October during rehearsal)
 - Move-In for *The Nutcracker* (Sunday prior to Production Week)
 - Move-In for *Dance+* (Sunday prior to Production Week)
 - Prince Charming Ball (Early March)
 - Butterfly Ball (Early April)
 - Move-In for *Cinderella* (Sunday prior to Production Week)
 - Giving Hearts Day thank you letters (picked up the day after GHD and returned the following Monday)

Summer Performances:

Throughout the summer, NPD is asked to perform *Stories In Motion* at a series of outdoor events, typically Kids Summer Stage (three Wednesdays in late June-July), Family River Walk (one Wednesday in July), Bismarck Library (three weekdays in July) and BisMarket (three Saturdays in late July to early August). Company members are strongly encouraged to participate in the Summer Youth Ensemble. If Corps de Ballet Company members choose to perform and are available for at least 50% of the performance dates; NPD will waive the Summer Youth Ensemble fee. NPD reserves the right to cast each performance as necessary to ensure that each Company member gets a chance to perform. Company members are expected to perform in the Relevé on the Rooftop event if they are available.

- Follow all rules set forth in the handbook including, but not limited to, dress codes.
- Attend Student Company meetings
 - October 1 (subject to change)
 - January 9 (subject to change)
- One unexcused absence per class per quarter is allowed. Student Company members are expected to make up any absences.
- Any violation of the above will result in a meeting with a faculty member to discuss appropriate next steps.

If the student has satisfactorily met the requirements, they will receive a tuition discount of 10% for all non-required classes (i.e. contemporary, cross, training, etc) for the following billing cycle.
 - If you are currently receiving another discount, i.e. sibling discount, the greater of the two will be applied not both discounts.
- Discounts will be applied to student's account and used towards the next scheduled tuition payment.
