

## CASTING PACKET

### *Nutcracker 2025*

Congratulations! You have been cast in Northern Plains Dance's 2025 production of *The Nutcracker*. This packet contains information on fees, volunteering, costume, hair and makeup requirements, important dates, casting agreement, information on how to read a rehearsal schedule, and a map of the Belle Mehus. The answers to most of your production related questions can be found in this packet

### FEES

To confirm your participation in this production, the casting agreement(s) and fees outlined below must be received by Thursday, September 18 at 5:00 PM.

- Each cast member is required to pay a \$85 Production Fee that covers the cost of costuming the cast member as well as the overhead costs of the production. The Production Fee is non-refundable. (if there are multiple cast members in your family, you may combine these onto one check)
  - First role fee \$85
  - Second role fee (same cast member) additional \$15 (\$90 total)
  - Third+ role fee (same cast member) additional \$10 (\$100 total)
  - In 2025, those cast as Cherubs, Cupid, Mice, and Flower Fairies will pay a Production Fee of \$50 and start rehearsal on October 11.
  - Late Casting Agreements will be accepted through Friday, September 20 at 5:00PM with a \$65 late fee. After that time, no more Agreements will be accepted.
- Each family is required to complete Volunteer Hours over the course of the production period. Families who wish to earn back their Volunteer Deposits may either make a Volunteer Deposit by check **NO LATER THAN Thursday, September 18 at 5:00 PM** (there must be a separate check for each child/cast member in your family) or may choose to have their card on file run at the end of the production plus fees (this option is only available to current NPD students). NPD will hold Volunteer Deposit checks until the conclusion of the production to guarantee that each family participates in volunteer activities and cast members' costumes are well maintained. Families who want to opt-out of helping with production needs through Volunteer Hours may buy-out in the Casting Agreement. The Volunteer Deposit is structured as follows:
  - First cast member \$75 (a minimum of 3 volunteer hours)
  - Second cast member in the same family \$50 (a minimum of 2 volunteer hours)
  - Third cast member in the same family \$25 (a minimum of 1 volunteer hour)
- Volunteer hours must be completed in the reverse order from listed above (lowest number of hours will be earned first) to receive your Volunteer Deposit(s) back.
- If a family does not participate in and/or properly report volunteer activities, or a costume is mistreated, NPD will not return the Volunteer Deposit at the conclusion of the performances.
- If a family does participate in volunteer activities, reports them correctly and costumes are well maintained, NPD will return the deposit(s) at the conclusion of the performances.
- If a cast member is removed from the production for any reason other than severe illness with doctor's note or extreme circumstances, the Volunteer Deposit and Production Fee will be forfeited.
- Dancers receiving advanced roles who are not members of the Student Company will be required to pay \$299 for required warm-up classes that are prior to rehearsals and during Production Week.

### VOLUNTEERING

Along with the rehearsal schedule, NPD will post weekly volunteer opportunities at [northernplainsdance.org/volunteer](http://northernplainsdance.org/volunteer). Please follow the instructions there to access your Volunteer Portal. Volunteer jobs are varied and typically require no prior experience.

- Common tasks may include painting props and sets, steaming or ironing costumes, embellishing or altering costumes, hanging posters, or assisting with costume fittings.
- Credit will be awarded based on the time listed in the original job posting. For example, a 45-minute ironing shift will count as 45 minutes of volunteer time, even if the task takes longer to complete. We are grateful for any extra effort, but only the posted time will be credited.
- Volunteer opportunities are removed each Friday at 5:00pm. After completing an assignment, you must return to your Volunteer Portal and submit your hours using the "Volunteer Hours" tab. You may also use this portal to track which hours have been approved.
- If you fail to show up for a scheduled volunteer activity—or cancel with less than 24 hours' notice—you will automatically forfeit your entire Volunteer Deposit. Likewise, if you do not record your hours by **Monday, December 15**, you will not receive credit, and your deposit will be retained.
- Volunteer hours are required for all cast families. No additional compensation of any kind will be provided for volunteer work beyond the required hours.

### EXCUSED VERSUS UNEXCUSED ABSENCES

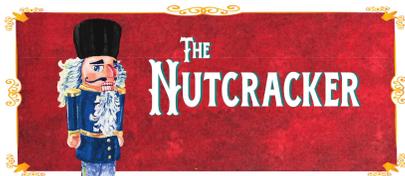

Excused absences are those listed on your audition form. Any absence other than those listed on the audition form will be unexcused and will result in dismissal from the production and forfeit of all fees.

### MANDATORY DATES AND COSTUME FITTINGS

Mandatory rehearsals, listed on the audition form and in the important dates below, must be attended by ALL cast members. The cast meeting must be attended by ALL cast members and a parent/guardian. Costume fittings listed in this packet are scheduled according to dates listed on the audition form to ensure that all members of the group are in attendance. Costume fitting dates are mandatory. Failure to attend any mandatory dates, including cast meeting, rehearsals and costume fittings, will result in immediate dismissal from the production and forfeit of all fees.

### UNDERSTUDIES

An understudy is a person who learns another's role to be able to act as a replacement at short notice. The understudy is required to attend all scheduled rehearsals and know the parts in which they are cast. **Understudies are not to attend the costume fitting for the role that they are understudying.**

### *Nutcracker 2025*

#### BISMARCK PUBLIC SCHOOLS SIPS PROGRAM

The Nutcracker is presented annually to 2<sup>nd</sup> grade students enrolled in Bismarck Public School through the Student Instructional Program (SIPS – a little taste of the arts) which allows attendees to experience a range of fine arts activities available in the community. This program is held on Friday, December 12 during the school day. Performers (listed in the Performance Schedule on page 5) will not attend school that day. Students attending BPS will receive an excused absence.

#### MY FIRST NUTCRACKER PERFORMANCE

Select roles will be asked to participate in My First Nutcracker, an abbreviated public performance for young audience members on Sunday, December 14. A full list of those participating can be found on page 5 under Performance Schedule.

#### COMPLIMENTARY CAST TICKETS

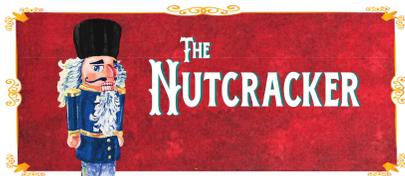

Each cast member receives two (2) complimentary Level D tickets to the performance of their choice. If a cast member wishes to upgrade their complimentary tickets to a different price level, the cast member is required to pay the price difference. The casting agreement, production fee, and volunteer deposit are required to receive complimentary tickets. Complimentary cast tickets are available in person at NPD starting **Monday, September 22** during regular office hours only. Office hours will be listed in red on the rehearsal schedule if a staff member is available during Saturday rehearsals.

#### CAST PARTY

All cast members and their families (even Grandma and Grandpa who are in town just to see the performance) are invited to celebrate the close of this year's performances of *The Nutcracker* on **Sunday, December 14**. Following the performance, join NPD for dinner, drinks, dessert, and even more dancing. Tickets are available online on the photo/performance video order form due **Saturday, November 8**. Everyone attending the cast party must have a ticket. Dancers under 12 are required to have an adult in attendance.

#### REHEARSAL TIME VERSUS CALL TIME

Up until Studio Dress Rehearsal, all the times listed on the weekly schedules are known as “rehearsal times”. Dancers are expected to be in the building, dressed, ready to dance, and waiting in the lobby prior to the start time listed on the schedule. It is the parent’s responsibility to supervise their dancers in the common areas. Starting on **Saturday, November 22**, you will notice the addition of “call times” on the schedule. This is the specific time that dancers are expected to arrive at the designated location. Once ‘call times’ appear, there is time built into the schedule for NPD’s staff and volunteers to help dancers get into costume. It is important to recognize this distinction as once “call times” appear on the schedule, NPD will provide supervision.
